What Empathy Sounds Like

“I don’t see value in that.”

“Sounds like we haven’t done a good job making our case.”

“That’s a tough spot to be in.”

“We’re just not sure which way to go.”

“I’m disappointed by your team’s results.”

“I’m very sorry to hear that. I’m sure that’s frustrating, to say the least.”

What Listening Says

The New York Times
ON THE WEB

“People often ask me how I, an American Jew, have been able to operate in the Arab/Muslim world for 20 years, and my answer to them is always the same. The secret is to be a good listener ...”

“ ... It's not just what you hear by listening that is important. It is what you say by listening that is important...”

“ ... Never underestimate how much people just want to feel that they have been heard; once you have given them that chance, they will hear you.”

Thomas Friedman
